A settlement has been reached in a class action lawsuit against 20/20 Eye Care Network, Inc. (“ECN”) and its parent company iCare Acquisition (“Defendants”), arising out of the security incident which occurred in January 2021 affecting ECN’s data environment containing certain patient information (the “Data Incident”). After an investigation, Defendants found that a still-unknown individual accessed ECN’s data environment without authorization and removed and deleted certain patient information stored there. In addition, because ECN shared that data environment with 20/20 Hearing Care Network, Inc. (“HCN”), certain Hearing Care patient information was also removed and then deleted.

**You are receiving this notice because you may be a Settlement Class Member.** The Settlement Class is defined as: all persons who were sent a notification from either ECN or HCN as a result of the Data Incident.

**What does the Settlement Provide?** The Defendants will pay \$3,000,000.00 into a Settlement Fund, out of which benefits will be distributed to Class Members who submit valid claims, and attorneys’ fees and expenses for Class Counsel are paid. The Settlement Fund will provide Class Members with an optional \$50.00 cash payment, or in the alternative, thirty-six (36) months of identity monitoring protection at the Class Members’ election. Class Members must make a claim to collect their cash payment or to register for the identity monitoring protection.

In addition, Settlement Class Members can receive up to \$2,500.00 in reimbursement for out-of-pocket losses and up to \$25.00 per hour for up to ten (10) hours of Lost Time. And, if you experienced an incident(s) of actual identity fraud as a result of the Data Incident, you may also submit a claim for reimbursement. Eligible claimants may be entitled to recover for losses of up to \$5,000.00 per individual upon documentation of actual identity fraud related to the Data Incident, up to an aggregate maximum of \$600,000.00.

**Your Options.** The easiest way to submit a claim is online at [www.2020EyeCareDataBreach.com](http://www.2020EyeCareDataBreach.com) using your Unique ID found on the front of this postcard. To be eligible, you must complete and submit a valid Claim Form, postmarked or submitted online on or before **May 1, 2023**. You can also exclude yourself from, or object to the Settlement on or before **April 3, 2023**. If you do not exclude yourself from the Settlement, you will remain in the Class and will give up the right to sue ECN and iCare for the claims resolved by the Settlement. **A summary of your rights under the Settlement and instructions regarding how to submit a claim, exclude yourself, or object are available at [www.2020EyeCareDataBreach.com](http://www.2020EyeCareDataBreach.com).**

The Court will hold a Fairness Hearing on **June 22, 2023 at 10:00 a.m.** At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also listen to people who have asked to speak at the hearing. You may attend the Hearing at your own expense, or you may also pay your own lawyer to attend, but it is not necessary.
